

**YOU'VE  
BEEN  
BOO'D!**

A friendly ghost has come your way  
To wish for you a wonderful day.  
He left a small gift and something sweet  
Never heard him come cause he's light on his feet.  
You must be light on your feet too,  
Cause this is what you have to do:  
Choose two friends, and choose them well.  
Now this is a secret, you musn't tell.  
Copy this poem, and the sign twice,  
If you do it by hand, make sure it looks nice.  
Take a couple of gift bags down from the shelf,  
Or a plain paper bag, you can design yourself.  
Fill them with sweets, and a gift of your choice.  
Leave em' on your friends porch,  
without any noise.  
Hang this sign on your door, for all ghosts to see.  
They'll know you've been "BOO-D",  
and will leave you be.  
This is only a game, to have a little fun,  
Let's see how far it goes, before the month's done.  
Now you have 24 hrs. to visit your friends.  
Please don't be the cause of our games early end.

Happy Haunting!
