

## Lincoln Children's Zoo Penguin Support Form

The Lincoln Children's Zoo is excited to be chosen as one of only 16 zoos in the country to care for the rarest of penguin species—the Humboldt penguin. But we need your help! Please make a donation to help the Zoo raise \$300,000 to create the new Humboldt Penguin Habitat.

Now, for a limited time, when you make a donation of \$100 or greater to the new penguin habitat, you'll receive admission for four to one of two private sneak peek viewings to be held before the exhibit opens to the general public this summer!

My gift amount:       \$100.00       \$250.00       \$500.00       \$1,000.00

\*Please be sure to provide current email and telephone contact information, so that we may keep you up to date with the progress of the new habitat and contact you with sneak peek dates later this summer.

I am not interested in the private sneak peek offer, but here's my donation of \$\_\_\_\_\_.
